IMPACT 2017 | 1

COMMUNITY FORWARD
DEAR FRIENDS,

As the Israeli-American Council turns the page on its 10th Anniversary, we celebrate the transformative impact that we have made for our community, our country, and our Jewish homeland.

Together, we have turned a bold idea into a coast-to-coast community with Israel in its heart and Israeliness in its spirit.

You are integral partners in this success. Indeed, it is only because of your willingness to go above and beyond to support the vision and the mission of the IAC, that we can inspire, engage, and organize Israeli-Americans and Jewish Americans in innovative and unprecedented ways.

The IAC has been able to expand so significantly in such a short amount of time due to the extraordinary vision, dynamic leadership, and unparalleled generosity of Dr. Miriam and Sheldon G. Adelson. In the name of tens of thousands families around the country, we thank them from the bottom of our hearts.

Enclosed you will find the latest edition of the IAC’s Impact Report, which details all that we have accomplished in the last year. We have much to celebrate, including:

WE OPENED FIVE NEW IAC REGIONAL OFFICES, bringing the total up to 15 offices nationwide.

WE STAGED 14 CELEBRATE ISRAEL FESTIVALS around the country, bringing Israel’s rich culture and history to life for more than 40,000 community members.

WE UPGRADED AND SCALED OUR NATIONAL PROGRAMMING to meet the needs of ever-growing communities.

WE TRAINED HUNDREDS OF NEW COMMUNITY LEADERS OF ALL AGES.

WE MOBILIZED OUR COMMUNITY TO FIGHT FOR ISRAEL and our common values as Americans, while standing up to the threat of modern anti-Semitism.

WE EXPANDED AND CREATED NEW AND MEANINGFUL PARTNERSHIPS with Jewish American organizations, attracting a record number of non-Israeli-American participants in our programs who are moved and inspired by Israeliness.

AS WE REFLECT ON THE PAST YEAR OF SUCCESS, WE BELIEVE THAT WITH YOUR SUPPORT, OUR NEXT YEAR PROMISES TO BE EVEN BETTER.

Thank you for your continued partnership, as we continue to grow this transformative movement together.

TO OUR SUPPORTERS AND COMMUNITY
WITH GRATITUDE FOR YOUR GENEROSITY AND ENGAGEMENT

ISRAELINESS is telling Israel’s story from a personal perspective.
Celebrate Israel is a national network of festivals bringing together the community in celebration of the Jewish state and fostering the bond between Americans and Israel. In 2017, the IAC saluted the 50th anniversary of Jerusalem’s reunification across 14 cities. In 2018, we will be celebrating the 70th anniversary of Israel’s independence.

“I don’t think there is a stronger, more powerful way to show our Jewish community’s support of Israel than to come together — more than 50,000 voices — and celebrate Israel’s Independence Day. It’s an incredible sight.”

NATY SAIDOFF
IAC BOARD MEMBER
Among the largest Israel centered gatherings in the Jewish world – the IAC National Conference features change makers and thought leaders across a range of fields, from business and philanthropy, to education, language and community building, world Jewry, technology, and social change.

Thousands of Jewish and Israeli-Americans take part in critical dialogues, exclusive networking opportunities, and inspiring sessions at the event which shapes our communal conversation, year after year.
ISRAELINESS IS FIGHTING FOR ISRAEL AND OUR COMMON VALUES
IAC ACT

Since 2008, the IAC has mobilized tens of thousands of Israeli and Jewish Americans in support of the state of Israel through civil engagement and advocacy efforts. Through a series of cutting-edge initiatives, educational seminars, leadership training, and strategic partnerships, the IAC continues to build a network of off- and online communities who are committed to combatting BDS and new anti-Semitism.

ACT.IL

Developed in partnership with IDC Herzliya and the Maccabee Task Force, the Act.IL app is an online platform that leverages the power of communities and organized online activity to improve Israel’s image, fight the de-legitimization and demonization of the state of Israel.

MEDIA ROOMS

Active in Boston, New Jersey, Philadelphia, New York, and Orange County, the Media Rooms, a joint program of the IAC, IDCHerzliya and the Maccabee Task Force, train and activate Israeli and Jewish American volunteers to create a cutting-edge, national pro-Israel community.
The Tzofim — Israeli Scouts — connects our next generation to their Jewish and Israeli identity, in order to foster their love and connection to the state of Israel.

The IAC has been partnering with the Tzofim since its establishment in 2007. This past year, the IAC has granted the “Tzofim” with more than $500,000. IAC’s support helped Shvatim (Scout chapters) grow to a new record high, strengthen Hadracha training and launch a new Hebrew language summer camp.
